Royal Unibrew

Royal Unibrew is a leading multi-beverage company with strong local brands portfolio in the Nordic region, the Baltic countries, Italy and France. In addition, our products are sold in more than 65 countries in the rest of the world. Royal Unibrew offers a wide range of products under various brands and is committed to delivering high-quality products to its customers.

About 40 types of beer are brewed at Kalnapilis Brewery.

An average of 24 new beer recipes are created per year.

130,000,000 litres of beer is brewed at Kalnapilis Brewery every year.

Our history

2002

In 2002, Kalnapilis celebrated its 100th anniversary as a member of a new family. The company was acquired by The Danish Brewery Group, which also owned Vilniaus Tauras, as well as the legendary brewery Faxe.

2022

Kalnapilis brewery has covered an area of 3,700 square meters with solar panel modules.

1902

The history of Kalnapilis began in 1902, when on January 1, the German landowner Albert Foight brewed the first batch of beer at the Bergschlösschen brewery in Panevėžys, the center of Aukštaitija, famous for its brewing traditions.

2025

Today Kalnapilis is a modern brewery that can produce 130 mln. liters of beer per year. The products are exported to more than 27 countries around the world.

Kalnapilis non-alcoholic

Kalnapilis non-alcoholic beers are brewed like regular beer but use special yeast that doesn't produce alcohol, preserving the original taste and aroma. In addition to our classic beers, we offer a selection of PREMIUM fruity flavors under the Kalnapilis Lite line.

*The Market Research Center conducted the study in two stages. In the first stage, over 200 people took part in a blind taste test, where Kalnapilis Non-Alcoholic Lager was chosen as the best-tasting beer. In the second stage, 87 blind tastings were organized in major Lithuanian cities, and nearly half (49.8%) of more than 6,000 participants also picked Kalnapilis as their favorite.
